**Bassetlaw Hospice**

The Hospice provides specialist care for patients who have been diagnosed with cancer or a progressive long term condition. It exists to support the patient and their families to achieve the best quality of life.

Day Care Hospice provides care for up to 60 patients every week. Patients can relax in the comfortably furnished sitting room and conservatory or take a stroll through the beautiful secluded gardens or enjoy one of the many complementary therapies that are available.

The Hospice also provides six comfortable bedrooms, each equipped with, multi positioned beds, air conditioning, TV, telephone, en-suite facilities and patio doors into the garden, providing for 24-hour specialist nursing care.

The Registered Charity and Bassetlaw Health Partnership work together to fund Bassetlaw Hospice. The BHP funds the nursing and medical costs. The charity funds the building, equipment, maintenance and running costs, providing complementary therapies, drivers and volunteers to support the service.
